HUSBAND - Jonathan Cannon

Date of death and name of first wife, Sallie Boyd, and her parents, Robert Boyd and Jane Love, are from Betty Shaw, Floridaibis@aol.com, given to Cecilie Gaziano, cgaziano@prodigy.net, in an email on 15 May 2008. According to Jonathan Cannon's son Emberry's application for Indian Land in Texas about 1890, this branch of the family had Chickasaw and Choctaw blood. Betty Shaw compiled a book on her Cannon-Cross Families, copyrighted 1999. Copy of Jonathan's son Emberry's application for land in the Chickasaw Nation gives names of Sallie and her parents; received from Batty K. Fritts in a fax on 25 Jul 2008.

According to Betty Shaw, Jonathan had a brother William. She said that Jonathan sold a female slave with her son to his brother, William, and William, of White Co., TN, was summoned to Court in McMinn Co., TN, to pay Jonathan's debt to Benjamin Harris. Jonathan had sold the slave to his brother to keep Benjamin from taking the slaves in payment for his debt.

From census for William Cannon, 1800, Greenville District, SC: male born about 1784/1794.

1805 William CANNON sold a slave to Jonathan CANNON on 18 Mar 1805. Wit.: James GILLILAND, Jonathan POTS, John TUBB, J.P. (Greenville Co., SC)

1806 William CANNON of Greenville Co., SC, bought land on s. side of Gap Creek of middle fork of Saluda River, 100 acres, from Jonathan POTTS. Wit.: Thos. CANTRELL, Nimrod CANTRELL. (03 Aug 1806)

1810 Census of Greenville District, SC, p. 452: Jon CANAN/CONAN, living between Wm CANAN and Jon POTS.

1813 William and Jeaney CANNON sold land in Greenville Co., SC, to Jesse MAYFIELD, land on south side of Gap Creek of the middle fork of the Saluda River, 100 acres adjoining Jonathan POTTS and CANNON, part of tract granted to Job COLCOCK surveyed for Ephraim ELLIS, on 14 Feb 1813, Deed Book I, page 210. Witnesses: David McBRAYER, Samuel McJUNKIN. [Simcock Cannon and Russell Cannon also had land in this area in 1786.]

1814 12 Jan. Pendleton District (Anderson Co., SC, Deed Book O, pp. 22-23). Jonathan Cannon was among others (William Laffoon, William Finley, John Laffoon, and Andrew Clements) who had made a conditional line that land sold by William Laffoon of Pendleton District touched. Buyer: William Cannon, 200 acres on both sides of Carpenters Creek.

1820 Jonathan Cannon not found in census. Might have been in McMinn Co., TN, for which the 1820 census does not survive. McMinn Co. was formed from Indian lands. According to research by Betty Shaw, Jonathan

WIFE - Sarah "Sallie" Boyd

If this wife is the same in both the 1810 and 1830 censuses, it can be deduced that she was born about 1790-1794.

According to the 1880 census for son Irby/Erby Cannon, his mother was born in South Carolina.

Emberry Cannon's application for Indian Territory land, rejected (from Betty K. Fritts):

On this the 7 day of August 1889 personally appeared before me Emberry Cannon who being by me sworn an oath says

That he was borned [sic] in the state of Miss. and moved to Texas in the year 1849 and is now a Resident of Terrell, Texas

That he is near 68 years of age

That he is a son of Johnathan [sic] and Sallie Cannon (now deceased) that his mother's maiden name was Boyd - that she was the daughter of Robert and Jane Boyd

That he remembers his Grand Mother Boyd distinctly - she was and claimed to be a quarter blood Chickasaw Indian - she was dark and showed plainly the Indian blood. Her mother was a Love I think Jane Love.

My mother and Grand Mother have often told me that my Great-Grand Mother was nearly a full blood Chickasaw Indian.

My mother and Grand mother has repeatedly told me that my Grand Father Robert Boyd was of Choctaw descent.

My children by my first wife and especially Mrs. Julia Fleming (a daughter of mine by my first wife) and who has been a resident of the Chickasaw nation for 17 years has repeatedly urged me to establish my right of citizenship in the Chickasaw Nation

I have told her since she was a child that she was a descendant of the Chickasaw Indians from my mother

It has been my impression all the time it was a disgrace to claim Indian descent is one reason I have not applied before this time when a boy in Miss. the boys of my age would tease and tantalize me on account of my Indian blood.

That he remembers his Grand Mother Boyd distinctly - she was and claimed to be a quarter blood Chickasaw Indian - she was dark and showed plainly the Indian blood. Her mother was a Love I think Jane Love.

My mother and Grand Mother have often told me that my Great-Grand Mother was nearly a full blood Chickasaw Indian.

My mother and Grand mother has repeatedly told me that my Grand Father Robert Boyd was of Choctaw descent.

My children by my first wife and especially Mrs. Julia Fleming (a daughter of mine by my first wife) and who has been a resident of the Chickasaw nation for 17 years has repeatedly urged me to establish my right of citizenship in the Chickasaw Nation

I have told her since she was a child that she was a descendant of the Chickasaw Indians from my mother

It has been my impression all the time it was a disgrace to claim Indian descent is one reason I have not applied before this time when a boy in Miss. the boys of my age would tease and tantalize me on account of my Indian blood.
