Notes

HUSBAND - William Cannon

Date of birth from cemetery record, Kemper Co., MS, 1779. Another source says 1781, see below: [This source contains many inaccuracies.] A date of 1780 or earlier fits the censuses for William Cannon.

The Compendium of American Genealogy, Vol. VII, (Baltimore, MD: Genealogical Publishing Co., 1937, 1968), edited by Frederick Adams Virkus, p. 707: "Col. William Cannon (1781-1843), in Battle of New Orleans, War 1812, Pickens Dist., S.C., to Kemper Co., Miss.; m. 1801, Cecelia Barton (1786-1840); Benj. [son], Am. Rev.; m. Dorcas Anderson; Thos. [grandson]; John [great-grandson]. [Genealogical info. on descendants follows.]

Shows father as Russell, grandfather as Simeon Cannon, from Eng. to S.C. [sic]. Apparently, the Compendium is the source, erroneously, for the information that Simcock Cannon was also called Simeon. No evidence exists for "Simeon" as his name, however.

1810 census of Pendleton District, South Carolina, p. 145A: Wm CANNON 40001; 1001

1820 census of Pendleton District, South Carolina, p. 170: William CANNON 310001; 12301

1830 census of Tuscaloosa County, Alabama, p. 304: W. CANNON 12013001; 1211001

1840 census of Kemper County, Mississippi, p. 9: William Cannon 001110001; 00112001

Two additional sons were Elisah Barton Cannon, born 22 Sep 1838 and John Oliver Cannon born 24 Aug 1840, died 6 Sep 1847 in Marengo Co., AL, according to Patrick Walton, patw@glccomputers.com, at Rootsweb's WorldConnect Projct, last updated 28 Apr 2007; accessed 20 May 2007. These are very likely to be sons of another family, however, as neither one is shown in the 1840 census for William's family.

Information from Mary McLaughlin Aikman, descendant of William and Cecelia.

Anderson Co., SC, estate papers for Benjamin Barton, roll 69. Contains a bequest for his oldest daughter, "Sela Kannan." Will 8 Feb 1818.

CHILD 2 - Charlotte Cannon

Charlotte was a daughter of William Cannon and Cecelia Barton, according to Mary McLaughlin Aikman, who stated in written materials sent to Cecelie Gaziano that the data came from the family Bible of William and Cecelia, circa 1828, once owned by a Mrs. Fred Bounds of Mississippi, now deceased. Birth and marriage dates supplied by Mrs. Aikman, who also said that Charlotte was living in Pickens Co., AL, in the 1850 census, with four children..

Information from email on 23 Nov 2000 from Marianne Pyeatt (Marianne_Pyeatt@baxter.com).

She stated that a Wm Cannon and a Benjamin Cannon were administrators for the estate of Nathaniel H. Perry in Pickens Co., AL, Oct 1841. Perhaps they were brothers or father and brother of Charlotte Cannon, wife of Nathaniel. The son of Charlotte and Nathaniel, Benjamin Franklin Perry, moved to Yazoo Co., MS, and lived there the rest of his life. He used to visit relatives (identity unknown) in Kemper Co., MS, in the same section/range/township as William Cannon, Benjamin Cannon, and George W. Cannon, all of whom signed on the same date.
