Notes

HUSBAND - William Cannon

From William Cannon census for 1800, Greenville District, SC, who was of an age to be the father of this younger William.

William CANNON sold a slave to Jonathan CANNON on 18 Mar 1805. Wit.: James GILLILAND, Jonathan POTS, John TUBB J.P. (Greenville Co., SC) Jonathan Cannon lived next door to a William Cannon in the 1810 census of Greenville Co. That William appears to have been of an age to be Jonathan's brother. It is known that Jonathan had a brother William who went to White Co., TN, according to documents in McMinn Co., TN, for Jonathan.

If William Cannon of White Co., Tennessee, was the William Cannon in the 1810 census, William married after 1810.

Children's ages are taken from the White Co. census, assuming that all the younger household members were William's children.
