CARTER CANNON AND SARAH CANNON -- ESTATE

Case 1012, Nancy HARRISON et al. vs Carter CANNON, 26 Aug 1876, Tarrant Co., TX.

NOTES FROM RESEARCHER, Weldon Hudson, Fort Worth, TX, February 1992: It is apparent that this case filed by **Nancy HARRISON** was filed before the Tarrant County Courthouse fire in 1876. The original petition to the court was lost in the fire. We pick up on the suit with this document. It states that **Nancy** won a \$1,713.50 judgment against **Carter CANNON**. It appears to me that **Carter Cannon's** deceased wife was name of **Sarah**. It also appears to me that the primary purpose of this document is to divide the land involved in the estate between the heirs at law for their mother's part. Also giving **Carter Cannon** 95 acres as his share in the division. On page 276 is a plat showing the division. My analyses show the following division:

Lot No. 3	Carter CANNON	98 acres
Lot No. 1, 4	Nancy R. HARRISON	20 acres
Lot No. 4	Nancy R. HARRISON	49 acres
Lot No. 2	John R. CANNON	42.5 acres
Lot No. 5, 6	Elizabeth GOIN	115 acres
Lot No. 1	E. C. CANNON dec'd	<u>80 acres</u>
		404.5

However, near the bottom of page 272 is a list of 5 heirs who are entitled to Carter CANNON's estate.

- 1/5 **Nancy and D. C. HARRISON**
- 1/5 **Elizabeth GOIN** and **William GOIN**
- 1/5 **John R. CANNON**
- 1/5 Heirs of **E. C. CANNON**, deceased
- 1/5 Heirs of **Patsy BARNS**, deceased

The document itself states the original judgment was lost in the Tarrant Courthouse fire of 29 Mar 1876. Its date was July Term 1875, **Nancy HARRISON** et al vs. **Carter CANNON**.

The judgment was to be satisfied by acting as a lien with interest of **Carter Cannon** on a tract of land upon which he resided, 640 acres of the M. T. Johnson Village Creek survey in Tarrant Co., TX. **Carter Cannon** received interest in the East half of the 640 acres. The heirs of **E. C. CANNON** dec'd, **John R. CANNON**, **Elizabeth GOIN**, and the heirs of **Patsy BARNS** deceased all had community interest in this east half of the 640 acres, each to get one-fifth. They are all also referred to as "the said heirs of **Sarah CANNON** decd."

The 320 acres in the M. T. Johnson survey and 320 acres of the William Welch survey (north one-half) make up the 640 acres mentioned. Land descriptions are given.

The heirs of **Patsy BARNS** decd. received Lot No. 8, 70 acres of the Welch survey. This matches the land description in the Guardianship petition for **Judson T BEALL** et al, minors, in Denton County, TX.

The following record may refer to Mary E. Barnes, daughter of John S. & Martha (Cannon) Barnes:

17 Oct 1879, Tarrant Co., TX, Final Account of Estate of **Carter CANNON, deceased**, by **D. C. HARRISON**, administrator, 6th page: "And would state that **Mary BARNES** is entitled to sixty-five dollars in said amount shown in hand of Administrator." Goes on to state: "Administrator further shows that he is the owner of the ballance [sic] of said \$712.78 having purchased the same from the other heirs of **Carter CANNON dec.'d.**" [Before the mention of **Mary BARNES**, the document discusses the heirs of **Elijah CANNON, deceased**, son of Carter, naming Elijah's widow, **Ophelia MYRICK**, and their children.]

It is now known that Mary Barnes was Mary Elizabeth Barnes, daughter of Martha Cannon and John S. Barnes, who married (1) a Mr. Christman, (2) a Mr. Thomas, (3) Jephta Norton Garrett, and (4) James A. Mitchell.
